CROSS-BORDER SYNERGY FOR A BETTER FUTURE
跨境协同，共创未来

IMAN ILMU AMAL

WELCOME MESSAGE

ADVISOR

Prof. Dato' Dr. Sufian Jusoh
Vice Chancellor, UKM

On behalf of Universiti Kebangsaan Malaysia, I warmly welcome everyone to ACCD'26. This forum unites ASEAN and China to exchange ideas and build partnerships across technology, education, trade, investment, tourism, culture, and the halal economy. May our conversations deepen understanding and inspire practical cooperation for a brighter, more connected future.

我谨代表马来西亚国立大学，热烈欢迎各位莅临ACCD'26。本论坛汇聚东盟与中国各界代表，共同交流思想，并在科技、教育、贸易、投资、旅游、文化及清真经济领域建立伙伴关系。愿我们增进相互理解，促成务实合作，携手迈向更加紧密、更加美好的未来。

ADVISOR

Tan Sri Dato' Sri Dr. Ng Yen Yen
President of WRTO Malaysia

It is my pleasure to welcome you to ACCD'26. At WRTO Malaysia, we believe meaningful travel and cultural exchange bring people closer together. This forum offers an opportunity to connect ASEAN and China through dialogue, education, tourism, and business. May the partnerships formed here enrich our communities for years ahead.

我很荣幸欢迎各位莅临ACCD'26。在WRTO Malaysia，我们深信研学旅行与文化交流能够拉近彼此的距离。本论坛为东盟与中国搭建对话与合作的平台，推动教育、旅游及商业领域的联系。愿在此缔结的伙伴关系持续造福各地社群。

CHAIRMAN

SUN LIJUN

Director, Secretary of the CPC Committee, Harbin Normal University

On behalf of Harbin Normal University, I warmly welcome all distinguished guests to ACCD'26. This forum provides a valuable platform for strengthening educational exchanges, academic collaboration, and regional cooperation between China and ASEAN. I look forward to fostering closer partnerships among universities, industries, and institutions, translating shared knowledge into practical outcomes, and contributing to sustainable development and mutual prosperity across our regions.

我谨代表哈尔滨师范大学，热烈欢迎各位嘉宾出席ACCD'26大会。本次论坛为深化中国与东盟在教育交流、学术合作及区域协同发展等领域的合作搭建了重要平台。期待以此次盛会为契机，进一步促进高校、产业及相关机构之间的交流合作，推动学术成果转化与务实合作，为区域可持续发展与共同繁荣贡献力量。

CHAIRMAN

Prof. Dr. Riza Sulaiman
Director, IVI-UKM

As Chair of ACCD'26, I am delighted to welcome our guests to Universiti Kebangsaan Malaysia. The Institute of Visual Informatics values research that addresses real challenges. Over these four days, I hope our discussions connect ideas with action, strengthen ASEAN-China partnerships, and create opportunities for universities, industry, and communities alike.

作为ACCD'26大会主席，我很高兴欢迎各位嘉宾莅临马来西亚国立大学。视觉信息研究所重视能够回应现实挑战的研究。期待这四天的交流将构想化为行动，深化东盟与中国的合作，并为大学、产业及各界社群创造更多机遇。

ACCD'26 INTRODUCTION

The ACCD'26 Forum is jointly initiated and hosted by Universiti Kebangsaan Malaysia (UKM) and Harbin Normal University (HNU). It brings universities from ASEAN and China together to strengthen education, research, and practical cooperation.

Building on the strengths of both institutions, the Forum focuses on cross-border e-commerce, digital trade, the digital economy, and talent development. It encourages joint research centres, laboratories, training programmes, and international think tanks.

Through academic exchange and collaboration with industry, ACCD'26 aims to create lasting partnerships, support collaborative innovation, and open new opportunities for students, researchers, universities, and businesses across China, Malaysia, and the wider ASEAN region.

ACCD论坛由马来西亚国立大学（UKM）与哈尔滨师范大学（HNU）共同发起并主办，汇聚中国与东盟高校，推动教育、科研及务实合作。依托两校的优势，论坛聚焦跨境电子商务、数字贸易、数字经济和人才培养，并鼓励共建研究中心、实验室、培训项目及国际智库。通过学术交流与产学合作，ACCD致力于建立长期伙伴关系，促进协同创新，为中国、马来西亚及东盟地区的学生、研究人员、高校和企业创造更多机遇。

ORGANISERS INTRODUCTION

Established in 1970, Universiti Kebangsaan Malaysia (UKM) is Malaysia's national university, QS world ranking 130. Dedicated to advancing knowledge through teaching, research and innovation. Rooted in its commitment to the Malay language, UKM links local expertise with global partnerships, preparing graduates and generating ideas that contribute to society and industry in Malaysia and beyond.

马来西亚国民大学（UKM）创立于1970年，目前QS世界排名130，致力于通过教学、科研与创新推动知识发展。学校秉持以马来语传承知识的办学理念，结合本土专长与国际合作，培育人才、激发创新，为马来西亚及世界各地的社会与产业发展作出贡献。

The Institute of Visual Informatics (IVI) at Universiti Kebangsaan Malaysia advances research in visual computing, computer vision, simulation and social informatics. Through interdisciplinary collaboration and postgraduate education, IVI develops digital expertise and practical solutions that connect academic research with industry needs and contribute to an inclusive and technologically empowered society.

马来西亚国民大学视觉信息学研究所（IVI）致力于视觉计算、计算机视觉、仿真模拟及社会信息学研究。通过跨学科合作与研究生培养，研究所发展数字技术专长与实用解决方案，促进学术研究 with 产业需求对接，为建设包容且善用科技的社会作出贡献。

哈尔滨师范大学
HARBIN NORMAL UNIVERSITY

Harbin Normal University (HNU) is a leading university in Northeast China and a key institution under Heilongjiang Province's Double First-Class Initiative. Renowned for its academic excellence and strong educational heritage, HNU promotes international collaboration, scientific innovation, and global talent development, contributing to higher education advancement and international academic partnerships.

哈尔滨师范大学（HNU）是中国东北地区具有重要影响力的高等学府，也是黑龙江省“双一流”建设重点高校。学校拥有深厚的学术底蕴和卓越的教育传统，积极推动国际交流合作、科技创新与国际化人才培养，致力于促进高等教育发展与全球学术合作。

The Malaysia-China Higher Education Exchange Association (PPTMC) strengthens educational ties through academic collaboration, student exchanges and cultural programmes. As a main organiser of ACCD'26, it connects universities, researchers and industry partners from Malaysia, China and ASEAN, creating opportunities for shared knowledge, lasting institutional partnerships and meaningful cooperation across the region.

马来西亚—中国高等教育交流协会（PPTMC）通过学术合作、学生交流和文化活动，促进马中两国的教育联系。作为ACCD'26的主要主办单位，协会汇聚马来西亚、中国及东盟的大学、研究人员和产业伙伴，推动知识共享、院校合作与区域交流。

WRTO Malaysia, the Malaysian chapter of the World Research Travel Organization, connects education, research and responsible tourism. Through cultural exchanges, educational partnerships and experiential programmes, it encourages meaningful travel that deepens understanding of people and heritage. Its work supports sustainability, youth participation and lasting cooperation among diverse communities across borders.

世界研学旅行组织马来西亚分会（WRTO Malaysia）连接教育、研究与负责任的旅游。通过文化交流、教育合作及体验式活动，分会推动富有意义的研学旅行，增进人们对不同社群与文化遗产的了解，并支持可持续发展、青年参与及跨境合作。

VISION

To become a leading ASEAN–China regional platform advancing collaboration, innovation and sustainable development.
成为推动东盟与中国合作、创新和可持续发展的领先区域平台。

MISSION

Strengthen ASEAN–China cooperation
加强东盟与中国的合作

Facilitate knowledge exchange
促进学术交流

Promote business collaboration
促进商业合作

Foster cultural understanding
促进文化交流互鉴

Build long-term strategic partnerships
建立长期战略伙伴关系

4 TRACKS OF ACCD'26

Technology, AI & Education

Cybersecurity, digital innovation, research and talent development.
网络安全、数字创新、科研合作与人才培养

Tourism & Culture

Sustainable tourism, destination development and cultural exchange.
可持续旅游发展、旅游目的地建设与多元文化交融

Halal Economy

Certification, quality, supply chains and global halal market access.
国际标准认证、品质管理、供应链建设与东盟市场准入

Investment, Trade & Business Matching

Cross-border trading, investment, logistics and enterprise cooperation.
跨境贸易、国际投资、物流协同与企业合作

PROGRAM TABLE

INTRODUCTION OF VVIP

YB TUAN SIM TZE TZIN

DEPUTY MINISTER OF INVESTMENT, TRADE AND INDUSTRY, MALAYSIA; MEMBER OF PARLIAMENT FOR BAYAN BARU.

Representing Bayan Baru in Parliament since 2013, he has contributed to national policymaking and economic development. His work now centres on investment, trade, industrial growth and stronger strategic regional partnerships.

H.E. LISUALDO MENEZES COIMBRA GASPAR

AMBASSADOR OF THE DEMOCRATIC REPUBLIC OF TIMOR-LESTE TO MALAYSIA

With over two decades in diplomacy, he has served in New Zealand, Indonesia and Australia. He works to strengthen bilateral cooperation and deepen the longstanding ties between Timor-Leste and Malaysia. Round Table Discussion Official Opening.

MR. LIU ZHAOGUO

CHIEF EDUCATION INSPECTOR (VICE-DIRECTOR-GENERAL LEVEL), DEPARTMENT OF EDUCATION OF HEILONGJIANG PROVINCE, CHINA

He oversees educational policies, regulations, school sports, health and arts education, and campus safety. He advances governance, reform and innovation while supporting international educational exchanges, academic partnerships and talent development.

MR. CHUA CHOON HWA

DEPUTY SECRETARY GENERAL (TOURISM), MINISTRY OF TOURISM, ARTS AND CULTURE MALAYSIA (MOTAC).

A civil servant since 1996, he serves on Tourism Malaysia's board and chairs the committee for tourism and cultural standards, bringing policy experience to the development of Malaysia's visitor economy.

DATO' LOW KOK THAI

He works with academic, government and industry partners to develop ACCD'26 as a platform for dialogue, knowledge exchange and business collaboration between Malaysia, ASEAN and China across education and innovation.

REPRESENTATIVE FROM CHINA EMBASSY

REPRESENTATIVE FROM INDONESIA EMBASSY

INTRODUCTION OF VIP

MR. XIU GUOYING

VICE PRESIDENT, HARBIN UNIVERSITY OF COMMERCE, CHINA

As Vice President of Harbin University of Commerce, he oversees international exchange and cooperation, coordinates university administration, and manages campus services. He plays a key role in facilitating international academic partnerships and strengthening institutional cooperation.

ZHANG ZHIHONG

DIRECTOR OF THE STATE-OWNED ASSETS MANAGEMENT OFFICE OF HARBIN NORMAL UNIVERSITY

Director of the State-owned Assets Management Office of Harbin Normal University, Senior Accountant (Researcher Level), has long been committed to the management and governance of university assets.

MR. LIU LAIXIANG

FOUNDER AND HONORARY PRESIDENT, HEILONGJIANG UNIVERSITY OF BUSINESS AND TECHNOLOGY, CHINA

Holding a Ph.D. from Renmin University of China, he founded Heilongjiang University of Business and Technology and established Lide Education Group in 2019. He has played a significant role in advancing private higher education, promoting industry–education integration and developing practice-oriented undergraduate education in China.

PROF. DR. SHAHAWATI BINTI UMAR

FOUNDER, BOARD MEMBER AND PRESIDENT, INNOVATIVE UNIVERSITY COLLEGE (IUC)

An education leader committed to expanding access to higher learning, she advances industry relevant programmes, institutional partnerships and student development, helping equip graduates with practical skills for evolving professional landscapes.

DATO' DR. MOHMED RAZIP BIN HAJI HASAN

FORMER DIRECTOR-GENERAL, ISLAMIC TOURISM CENTRE (ITC)

With decades of experience in tourism, he has championed Muslim-friendly travel, hospitality standards and industry partnerships. His insights highlight how cultural heritage and inclusive services can strengthen sustainable tourism growth.

DATO' HAJI AZIZAN NOORDIN

DESIGNATION: SECRETARY GENERAL, WORLD RESEARCH TRAVEL ORGANIZATION (WRTO) MALAYSIA CHAPTER.

With four decades in tourism, he served as Tourism Malaysia's Deputy Director General and headed the Langkawi Development Authority, bringing expertise in destination promotion and international collaboration across the region.

INTRODUCTION OF VIP

MR. CHAN KOK CHOY

CHIEF OPERATING OFFICER, PKPS EHSAN AGROTECH SDN BHD.

He advances digital farming and international agricultural partnerships, connecting Selangor growers with Chinese expertise. His work supports modern cultivation, product marketing and new business opportunities across emerging Southeast Asian markets.

YBRS. ENCIK BADRUL HISHAM BIN ABDULLAH

CHIEF EXECUTIVE, MALAYSIAN EXAMINATIONS COUNCIL (MPM).

He oversees the administration of STPM and MUET, strengthening national assessment and building university partnerships. His leadership supports students' educational pathways and expands examination access through collaboration with overseas institutions.

DATO' DANNY TAN ENG CHING

PRESIDENT, MALAYSIA CROSS BORDER E-COMMERCE ASSOCIATION (MCBEA).

He champions digital trade, connecting Malaysian businesses with regional markets and industry partners. Through networking, business matching and strategic collaboration, he creates opportunities for enterprises seeking sustainable growth across borders.

DATO' SERI DR. HAJI MOHD KHALID HARUN

PRESIDENT, MALAYSIA TOURISM AGENCY ASSOCIATION (MATA).

He advocates stronger tourism partnerships and the growth of Islamic tourism in Malaysia. His work connects travel operators, destinations and investors, expanding opportunities for international collaboration and sustainable industry development.

DATUK RASHIDI BIN HASBULLAH

DEPUTY PRESIDENT, WRTO MALAYSIA CHAPTER.

A former Secretary General of Malaysia's tourism ministry, he brings extensive experience in destination development and public policy. He promotes research travel, cultural exchange and sustainable tourism through regional collaboration.

PROFESOR EMERITA DATIN PADUKA DR. SITI ZURAINA ABDUL MAJID

MALAYSIA'S FIRST PROFESSIONAL ARCHAEOLOGIST.

Her pioneering excavations uncovered the Perak Man and reshaped understanding of Malaysia's prehistoric past. She advanced heritage conservation and helped secure UNESCO World Heritage recognition for Lenggong Valley in 2012.

INTRODUCTION OF VIP

DATO' SRI DR. VINCENT TIEW

EXECUTIVE DIRECTOR, BRANDING, SALES AND MARKETING, KL WELLNESS CITY.

With extensive property development experience, he helps advance an integrated healthcare and wellness township. His leadership connects strategic branding, partnerships and modern urban living to improve residents' quality of life.

PROFESSOR PAOLO CASADIO

DIRECTOR AND COURSE LEADER, HELP UNIVERSITY

Prof. Paolo Casadio is an international economist, academic leader and corporate executive whose career bridges economic theory, advanced quantitative analysis and strategic leadership across Europe, the United States and Asia.

DR. MARK OOI KOK LOANG

ASSOCIATE PROFESSOR, KUALA LUMPUR UNIVERSITY OF SCIENCE AND TECHNOLOGY

His research explores behavioural finance, capital markets and investment decision-making, connecting academic evidence with practical financial challenges. He brings insights on how market behaviour influences business strategy and economic outcomes.

MR. TEONG TECK LEAN

MANAGING DIRECTOR AND GROUP CHIEF EXECUTIVE OFFICER, GDEX BERHAD.

Trained in electrical engineering, he led GDEX's transformation into a listed logistics company. He now guides its strategic growth, digital innovation and regional partnerships across Southeast Asia's evolving delivery landscape.

DATO' TS. DR. HAJI AMIRUDIN BIN ABDUL WAHAB

FORMER CHIEF EXECUTIVE OFFICER, CYBERSECURITY MALAYSIA.

With over three decades in ICT and cybersecurity, he led national initiatives, strengthened cooperation between government and industry, and advanced Malaysia's cybersecurity and digital resilience through leadership and international collaboration.

WU ZHANGJING

DEAN, SCHOOL OF FOREIGN LANGUAGES, HEILONGJIANG INSTITUTE OF BUSINESS AND TECHNOLOGY

Her work in language education and interpretation strengthens cross-cultural communication and practical learning. She promotes teaching innovation, industry collaboration and international exchange, helping students develop skills for a connected world.

INTRODUCTION OF VIP

JIN HUIQING

FOUNDER AND HONORARY PRESIDENT, ANHUI SANLIAN UNIVERSITY, CHINA.

He founded Anhui's first private university and helped advance applied higher education in China. His road traffic accident prevention research received a National Science and Technology Progress Award First Prize.

PROFESSOR FENG PENGFEI

VICE PRESIDENT, ANHUI SANLIAN UNIVERSITY

DEAN, SCHOOL OF SMART TRANSPORTATION AND MODERN INDUSTRY

A professor researching traffic accident prevention, automotive safety and smart transportation, he has contributed to over 20 research projects, published over 30 papers, edited seven textbooks and received four awards.

ASSOC. PROFESSOR SONG MENGLAN

VICE PRESIDENT, ANHUI SANLIAN UNIVERSITY

DEAN, SCHOOL OF MODERN HEALTH AND WELLNESS INDUSTRIES

She specialises in project and higher education management, teaching and talent development in application-oriented universities. Her interdisciplinary research covers policy, regulation and compliance in the smart health and wellness industries.

DR. UMMUL HANAN BINTI MOHAMAD

DEPUTY DIRECTOR, INSTITUTE OF VISUAL INFORMATICS, UKM

Her work bridges data mining, bioinformatics and next-generation sequencing, using computational approaches to explore complex biological information. She brings interdisciplinary expertise to research and discussions on digital technologies and innovation.

YUFENG MIAO (NICK MIAO)

CO-FOUNDER & CEO OF HELIX ROBOTICS.

He leads embodied AI development, combining robotics hardware and intelligent software to build humanoid and other robotic systems. His focus is bringing versatile robotics into practical applications across multiple industries.

MR. WILLIAM SONG

FOUNDER AND CHIEF EXECUTIVE OFFICER (CEO), VANTAXIA GLOBAL SDN. BHD.

He creates engaging AI training and deployable solutions that help organisations improve workflows, strengthen digital skills and adopt new technology confidently, translating complex ideas into practical tools for everyday business.

INTRODUCTION OF SPEAKERS

DR. TANG JIANG PING

GENERAL MANAGER, HUACHANG GROWMAX (M) SDN BHD

He guides efforts in fertiliser production and agricultural innovation, connecting research partnerships with practical farming needs. His work supports quality products and more effective cultivation for Malaysian farmers and growers.

DR. MARIZUANA BINTI MAT DAUD

COORDINATOR, INSTITUTE OF VISUAL INFORMATICS, UKM (IVI-UKM)

Her research focuses on computer vision and deep learning, particularly medical imaging, image and video analytics, and object detection. She applies visual data methods to address challenges in modern healthcare.

GLOCOMP

They build global partnerships that bring immersive learning technologies into education and vocational training. Their work connects industry and academia, supporting practical XR and AI applications across diverse international markets.

JEN PHUA / PHUA YEE CHING

CO-FOUNDER, AI TRAINER & AI SOLUTIONS DEVELOPER, VANTAXIA GLOBAL

Drawing on experience in banking and cybersecurity, he shares practical insights on cyber risk, data protection and digital governance, helping organisations strengthen resilience and build trust in an interconnected world.

EN. YUZERY YUSOFF

DEPUTY PRESIDENT, PERSATUAN KREATIF AI MALAYSIA (PEKA)

His work connects generative AI, learning design and multimedia applications, helping educators and creative practitioners use emerging tools effectively. He supports knowledge sharing, collaboration and innovation across Malaysia's creative sector.

PROF. MADYA DR. NOORMINSHAH BINTI A. IAHAD

ASSOCIATE PROFESSOR, FACULTY OF COMPUTING & HEAD OF LEARNING INNOVATION DIVISION, UTM CDEX

Her research explores technology adoption, collaborative learning and digital education, with interests spanning gamification, health informatics and social media. She advances innovative approaches that make learning more engaging and accessible.

DR. LAM SU DATT

SENIOR LECTURER, FACULTY OF SCIENCE AND TECHNOLOGY, UKM

His research combines bioinformatics and structural biology to investigate how biological molecules function and interact. Through computational analysis, he contributes insights that support biomedical discovery, drug development and healthcare innovation.

INTRODUCTION OF SPEAKERS

JAMALUDDIN IBRAHIM

FOUNDER & CEO, MAKIPLAGO HOLDINGS SDN. BHD.

He connects Malaysian halal SMEs with international markets, particularly in ASEAN and China. Through trade platforms, exhibitions and strategic partnerships, he advances market access and opportunities for sustainable business growth.

ASSOCIATE PROFESSOR DR. AHMAD ALDRIE BIN AMIR

ASSOCIATE PROFESSOR, INSTITUTE FOR ENVIRONMENT AND DEVELOPMENT (LESTARI), UKM

His research examines mangrove ecology, conservation and ecosystem sustainability, linking scientific evidence with practical environmental management. Advocates responsible coastal tourism and community engagement that protect biodiversity while supporting livelihoods.

SHI YUE

FOREIGN TRADE MANAGER, HARBIN CHULIN BEVERAGE TECHNOLOGY CO. LTD.

Her work promotes Harbin's heritage kvass beverages in international markets, supporting export partnerships and overseas expansion. She connects the company's traditional products with new customers while strengthening international business ties.

USTAZ MOHD AMRI BIN ABDULLAH

PEGAWAI HAL EHWAL ISLAM, JHEAIPP; FORMER SENIOR OFFICER, HALAL MANAGEMENT DIVISION, JAKIM

He brings experience in Islamic affairs and halal management, drawing on his work with state religious administration and JAKIM to support discussions on halal governance, certification and Malaysian industry practices.

ASSOC. PROF. LU RUI

ASSOCIATE PROFESSOR, QIANNAN NORMAL UNIVERSITY

Through teaching and scholarly engagement, the scholar helps students develop knowledge and critical thinking while contributing to conversations on higher education, international exchange and stronger connections between universities across regions.

DR LESLIE LEE

FOUNDER OF WORLD GREEN MOVEMENT DAY

A green movement practitioner and motivator, he founded World Green Movement Day and has worked on Malaysia-China public-interest initiatives. He shares practical experiences linking community action, the SDGs and ESG.

UZAIDI UDANIS

FOUNDER, YOUR INBOUND MATTERS

His work advances educational tourism through experiential learning, cultural exchange and international cooperation. He connects destinations, educators and communities, helping transform travel into meaningful opportunities for learning and sustainable development.

INTRODUCTION OF SPEAKERS

MUHAMMAD HAZWAN HUSSEIN

CHIEF OPERATING OFFICER, MARDI CORPORATION SDN. BHD.

His experience spans digital transformation, corporate governance and agricultural technology commercialisation. He leads operational strategy, develops industry partnerships and supports innovation to strengthen MARDI Corp contribution to Malaysia's agricultural sector.

JIANG MEILAN

RESEARCHER, NORTHEAST ASIA LEISURE ECONOMY RESEARCH CENTER.

A tourism scholar and former industry executive, she brings experience across China and the United States in business development, strategic management, destination development, national park tourism and cross-cultural collaboration.

PUAN SHARIFFAH RASHIDAH BINTI SYED OTHMAN

DIRECTOR GENERAL OF THE PERSONAL DATA PROTECTION DEPARTMENT (JPDP)

She oversees Malaysia's personal data protection framework and regulatory enforcement. Drawing on extensive cybersecurity policy experience, she promotes responsible data governance, privacy safeguards and greater public trust in digital services.

MS PEACH CAI YUTAO

REDNOTE OFFICIAL AGENT

She shares insights into how Rednote connects brands and consumers through content, community engagement and social commerce. Her perspective explores opportunities for digital outreach and new international business connections.

FARIS AFIQ IKHWAN SAIFUL-LLAH

SENIOR EXECUTIVE, CORPORATE PARTNERSHIP, SALES AND BUSINESS DEVELOPMENT, KLIA EKSPRES.

He builds partnerships that make airport rail travel more convenient for businesses, event organisers and travellers. His work connects organisations with practical transport solutions while supporting tourism and commercial collaboration.

BRUCE LEE

MM2H CONSULTANT, HH CONSULTANTS (MM2H) SDN BHD

He guides international applicants through Malaysia My Second Home options, helping them understand eligibility, prepare documents and plan their applications. His work supports informed decisions about relocation and long-term residence.

HUANG XIAOJUAN

TEA CULTURE AMBASSADOR, NATIONAL SENIOR TEA ART MASTER, NATIONAL SENIOR TEA TASTER

Drawing on expertise in chemistry, education and tea craftsmanship, she introduces Chinese tea culture through STEM learning, connecting traditional practices with contemporary teaching and encouraging cultural exchange across communities worldwide.

INTRODUCTION OF SPONSORS

哈爾濱商業大學
HARBIN UNIVERSITY OF COMMERCE

Introduction to Harbin University of Commerce

The university traces its history back to 1952 and has a long-standing tradition of excellence in cultivating professionals in business, management, and economics.

HUC comprises various schools and faculties, including the School of Management, School of Economics, School of Food Engineering, School of Computer Science, and School of Law. Its Food Science and Engineering programme is particularly well recognised in China, supported by provincial key laboratories and advanced research platforms.

Harbin University of Commerce places strong emphasis on practical education and industry collaboration, aiming to develop application-oriented professionals with diverse skills and competencies. It is recognised as one of Heilongjiang Province's distinctive universities specialising in business and commerce.

哈尔滨商业大学位于黑龙江省哈尔滨市，是一所省级重点大学，以工商管理 and 应用经济学为特色，多学科协同发展。学校建校历史可追溯至1952年，在工商经济人才培养方面有着悠久而深厚的贡献。学校设有管理学院、经济学院、食品工程学院、计算机科学学院、法学院等多个学院。其中，食品科学与工程在国内享有盛誉，拥有省级重点实验室和科研平台。哈尔滨商业大学高度重视实践教学和企业合作，致力于培养应用型、多技能人才，是黑龙江省特色商学院之一。

黑龍江工商學院
HEILONGJIANG UNIVERSITY OF BUSINESS AND TECHNOLOGY

Introduction to Heilongjiang College of Business and Technology

Heilongjiang College of Business and Technology, located in Harbin, Heilongjiang Province, China, is a private undergraduate institution specialising in Management and Engineering, with coordinated development across multiple disciplines, including Economics, Literature, and Arts.

Established in 2002, the college is committed to cultivating application-oriented professionals with innovative thinking, practical skills, and an international perspective. It offers a wide range of academic programmes, including Business Administration, Accounting, Computer Science and Technology, Electronic Information Engineering, and Art and Design.

The college places strong emphasis on industry–education integration, university–industry collaboration, and international academic exchanges. It actively promotes practical learning and innovative educational approaches, aiming to develop highly skilled professionals who can contribute to regional economic growth and social development.

黑龙江工商学院位于中国黑龙江省哈尔滨市，是一所以管理学、工学为主，经济学、文学、艺术学等多学科协调发展的民办普通本科高等院校。

学院创办于2002年，致力于培养具有创新精神、实践能力和国际视野的应用型人才。学校设有多个教学单位，涵盖工商管理、会计学、计算机科学与技术、电子信息工程、艺术设计等专业领域。

黑龙江工商学院重视产教融合、校企合作及国际教育交流，积极推动实践教学与人才培养模式创新，为区域经济发展和建设培养高素质应用型人才。

安徽三联学院
ANHUI SANLIAN UNIVERSITY

Introduction to Anhui Sanlian University

Anhui Sanlian University, located in Hefei, Anhui Province, China, was established in 1997. It is a private undergraduate institution approved by the Ministry of Education of China.

The university primarily focuses on Engineering and Management, while offering a wide range of disciplines, including Economics, Literature, and Arts. Its academic programmes cover Transportation Engineering, Computer Engineering, Electrical and Electronic Engineering, Mechanical Engineering, Business and Management, Nursing, and Art and Design.

The university actively promotes the integration of academic learning and practical applications, particularly in Smart Transportation, Artificial Intelligence, Electronic Information Technology, Intelligent Manufacturing, and Smart Elderly Care. The university strives to develop highly skilled professionals with innovative thinking, practical capabilities, and an international perspective. It also actively promotes international academic exchanges and research collaborations, contributing to regional economic growth and social development.

安徽三联学院位于中国安徽省合肥市，创办于1997年，是经中国教育部批准设立的民办普通本科高等院校。

学校以工学、管理学为主，涵盖经济学、文学、艺术学等多个学科领域，设有交通工程、计算机工程、电子电气工程、机械工程、经济管理、护理及艺术设计等相关专业。

安徽三联学院坚持应用型人才培养方向，重视产教融合、校企合作及科技创新，尤其在智慧交通、人工智能、电子信息、智能制造及健康养老等领域积极推动教学与实践相结合。学校致力于培养具有创新精神、实践能力和国际视野的高素质应用型人才，并积极拓展国际教育交流与科研合作，为区域经济和社会发展作出贡献。

INTRODUCTION OF SPONSORS

Hilbot Malaysia Sdn. Bhd.

Hilbot Malaysia Sdn. Bhd. is headquartered in Kuala Lumpur, specialising in embodied AI robotics for AI computing infrastructure operations, industrial manufacturing, smart warehousing and other applications, with Malaysia as its base for commercialisation across Southeast Asia.

Hilbot Malaysia Sdn. Bhd. 总部设于吉隆坡，专注于具身智能机器人研发，服务于算力中心运维、工业制造、智能仓储等场景，以马来西亚为基地，推动东南亚市场商业化落地。

Phoenix Academy

Phoenix Academy, based in Malaysia, aims to collaborate with universities and educational institutions, leveraging RIOS AI and Hilbot robotics technologies to develop skilled talent in AI and Embodied Intelligence through industry-integrated education

凤凰科学院（Phoenix Academy）立足马来西亚，拟联合高校及教育机构，依托RIOS人工智能与Hilbot机器人技术，培养AI与具身智能应用型人才，推动产教融合。

Globalfront International

Globalfront International Sdn. Bhd. (GFI), established in Malaysia in 2018 and based at Universiti Kebangsaan Malaysia (UKM), is an international company dedicated to fostering cooperation among Malaysia, China, and ASEAN countries in higher education, technological innovation, international business, and investment.

GFI has established partnerships with leading public and private universities in Malaysia. Its core activities include international student recruitment, postgraduate education, university exchanges, academic conferences, international study tours, research collaboration, and professional training.

The company also actively promotes innovation in artificial intelligence, drone technology, smart agriculture, university-industry collaboration, and research commercialisation, facilitating strategic partnerships among universities, industries, and government institutions.

Beyond education and technology, GFI is engaged in international business matching, investment advisory, industrial cooperation, and educational investments, serving as a bridge connecting Malaysia, China, and the wider ASEAN region. Guided by its vision, "Connecting the World Through Education, Shaping the Future Through Innovation" GFI is committed to advancing cross-border collaboration, talent development, technological innovation, and sustainable regional growth.

世锋国际有限公司（Globalfront International Sdn. Bhd.，简称 GFI）于2018年在马来西亚成立，总部位于马来西亚国民大学（Universiti Kebangsaan Malaysia，UKM）校园内，是一家致力于推动马来西亚、中国及东盟国家在高等教育、科技创新、国际商务与投资领域合作的综合性国际企业。

世锋国际与马来西亚多所知名公立及私立大学建立了合作关系，业务涵盖国际学生招生、硕博士教育、大学交流、学术会议、国际游学、科研合作及人才培养等领域。同时，公司积极推动人工智能、无人机技术、智慧农业、产学研合作及科技成果商业化，促进大学、企业与政府机构之间的资源整合。

此外，世锋国际亦参与国际商务对接、投资咨询、产业合作及教育项目投资，致力于搭建连接马来西亚、中国与东盟的国际合作平台。秉持“教育连接世界，创新引领未来”的理念，世锋国际致力于促进跨境教育、科技与产业融合，为区域经济发展、人才培养及国际合作创造长期价值。

IVIRC INTRODUCTION 马国立 信息研究院 产学研联合研究中心

IVI Co-Research Centre • Academia-Industry Innovation Ecosystem

INTRODUCTION & BACKGROUND 简介与背景

The **IVI Co-Research Centre (IVIRC)** is a strategic academia-industry collaboration initiative of the Institute of Visual Informatics (IVI), UKM. Conceived as a programme, brand and strategy for a sustainable **academia-industry ecosystem**, IVIRC connects university expertise with industry capabilities and private-sector investment to support applied research, innovation and commercialization.

IVIRC是马国立信息研究院 (IVI-UKM)推动的一项战略性产学研合作计划。IVIRC以建立可持续发展的**产学研创新生态系统**为核心理念，集合作计划、品牌建设及战略发展于一体，应用学术研究优势、产业界的技术与实践能力，以及私人领域的投资资源，共同推动应用研究、科技创新及科研成果商业化。

STRATEGIC OBJECTIVES 战略目标

Advance collaborative research and innovation; strengthen academic-industrial networks; support industry-relevant training and technology transfer; attract domestic and international investment; and develop mutually beneficial opportunities for commercialisation and long-term partnerships.

推进合作研究与创新；加强学术界与产业界的网络联系；支持与产业需求紧密结合的人才培养及技术转移；吸引国内外投资；并创造互利共赢的商业化机遇与长期合作伙伴关系。

THREE-PARTY COLLABORATION FRAMEWORK 三方合作框架

IVI 信息研究院	IVIRI 合作伙伴	IVIRIP 商业伙伴
Academic leadership, knowledge, research talent and strategic direction 学术引领、知识资源、科研人才及战略发展方向	Industry partner coordinating, funding and operating collaborative initiatives 产业合作伙伴的协调对接、资金支持，以及合作项目的运营与管理。	Investor industry partner contributing investment, technology and commercial resources 投资型产业合作伙伴，提供投资资金、技术支持及商业资源。

IMPLEMENTATION & GOVERNANCE GUIDELINES 实施与治理指引

IVIRC initiatives are subject to UKM rules and governance requirements. Collaboration may begin with a Letter of Intent (LOI), followed by a principal MOA defining the roles and mutual interests of IVI, IVIRI and IVIRIP. Individual grant, commercialisation or income-generating projects require separate agreements where applicable.

IVIRC 各项举措均须遵循 UKM 的相关规则与治理要求。合作可先通过LOI确立，随后签署正式的MOA，明确IVI、IVIRI及IVIRIP各方的角色与共同利益。若涉及具体的资助项目、商业化活动或创收项目，则需另行签署独立协议。

The IVIRC programme is coordinated through IVI's designated governance structure and led by the Director of IVI. Centres may operate within the UKM ecosystem or at suitable external industry locations. The framework envisages industry-funded operations and fair, transparent benefit-sharing arrangements based on each party's contribution.

IVIRC 计划由IVI指定的管理架构进行统筹，并由IVI主任负责领导。各中心既可在UKM生态系统内运作，也可设在合适的外部产业园区。该框架旨在推动由业界资助的运营模式，并建立基于各方贡献的公平、透明的收益共享机制。

BUILDING SUSTAINABLE PARTNERSHIPS 建立可持续发展的合作伙伴关系

Through a structured, industry-engaged approach, IVIRC seeks to turn academic knowledge and industrial expertise into practical solutions, new business opportunities and enduring partnerships in Malaysia and internationally.

通过系统化、产业深度参与的合作模式，IVIRC（视觉信息研究所联合研究中心）致力于将学术知识与产业专业技术转化为切实可行的解决方案，创造新的商业机遇，并在马来西亚及国际层面建立长期、稳固且可持续发展的合作伙伴关系。

GLOBALFRONT INTERNATIONAL AS STRONG INDUSTRY PARTNER 和世锋国际成为战列合作伙伴

Aligned with the Industry on Campus (IOC) aspiration, IVIRC provides a platform for research collaboration, technology development, knowledge exchange and talent development. With strong partnership with **Globalfront International**, IVI already initiatives include IVIRC-WonLucky (traditional Chinese medicine and AI research), IVIRC-PKPS (smart agriculture), IVIRC-Sanlian (Smart Transportation System, Smart Healthcare, Drones, AI and ICT Solutions) and IVIRC-Chulin (Leveraging AI and data analytics to support product development and market research), at different stages of development as described in the underlying framework.

秉持“校园产业合作”的愿景，IVIRC 搭建了一个集科研合作、技术开发、知识交流与人才培养于一体的平台。同时和**世锋国际**建立起稳固合作伙伴关系，IVIRC 现已开展多项合作计划，包括 IVIRC-WonLucky（王老吉，中医药与人工智能研究）、IVIRC-PKPS（雪兰莪州农业局，智慧农业）、IVIRC-Sanlian（安徽三联学院，智能交通系统、智慧医疗、无人机、人工智能及信息通信技术解决方案）以及 IVIRC-Chulin（秋林格瓦斯，利用人工智能和数据分析支持产品开发与市场研究）。这些计划正处于不同的发展阶段，具体情况详见相关框架说明。
